

Geidel Guerra

Software Developer

<https://geidelguerra.com>

Summary

Self-taught Software Developer with several years of work using Laravel, MySQL, Bootstrap and jQuery, creating custom CMS and APIs. Recently switched to Vuejs and Tailwindcss to develop rich and dynamic frontend UI and Vuetify for backend UI. Enjoys the challenges that each project presents. Loves Javascript and the Node ecosystem. Scholar of Stoicism. Casual Gamer. Avid reader with the right book. Honest and straightforward.
